

I/WE CLAIM:

1. A golf tee comprising:

a head portion for use in supporting an associated golf ball; and,

5 a stem portion for use in supporting the golf tee into the ground, the stem portion comprising a marking means for use in indicating the distance between the head portion and the ground surface.

2. The golf tee of claim 1 wherein the marking means comprises a

10 plurality of bands along the longitude of the stem.

3. The golf tee of claim 2 wherein the plurality of bands are equally

spaced.
